

Today is mine,
each shining golden hour.
In heart and hand and mind,
I hold the power
To mould in new design, in patterns gay, the beauty
I shall find along the way.

"How beautiful
is the morning when
the sun rises to
decorate the day"

Those who tell you that youth
needs an ideal are idiots. It
has one already which is
youth itself...

A friend is a gift
you give yourself!

It's nice sometimes to open up your
heart and let some hurt come in -
it proves you're still alive!

"The most beautiful thing in life
is that our souls remain
hovering over the places
where we once enjoyed
ourselves."

"Take Time to dream,
it hitches the soul to the stars."

"Each man's life represents a road
toward himself, an attempt at such
a road, the intimation of a path."

It doesn't matter who you love
or how you love
but that you love...

... must be dedicated
to a destiny in order
to have meaning.

La amistad es
una joya que
no se compra.

You are you and I am I
And if by chance we
find each other
It's beautiful.

"So others can live with wild men,
while I must always presume on
those who are kind enough to forgive
and weak enough to understand."

"IF THERE BE ANY TRUER
MEASURE OF A WOMAN THAN
BY WHAT SHE DOES, IT MUST BE
BY WHAT SHE GIVES."

... Anything how do you
And write down secrets
And make them not HEAVEN...

A TIME FOR EVERY
PURPOSE UNDER

... AND IN THE SWEETNESS
OF FRIENDSHIP LET THERE
BE LAUGHTER AND THE
SHARING OF PLEASURES.

Happiness is a butterfly,
which when pursued, is
always just beyond your
grasp, but which, if you
will sit down quietly, may
alight upon you.

"... To strive,
to seek to find,
and not to yield."

... Wonderful,
wonderful, and
again most wonderful.

And in the end
the love you take
is equal to the
love you make.

the goal of living is to grow
forgetting only; remember those

Remember and
don't forget it there !!

The simple-minded use of the
notions "right or wrong" is one
of the chief obstacles to the
progress of understanding.

Know the value of
time, put it
to use, and
it will be
your friend.

All that we see or seem is but a dream within a dream.

But these things don't matter at all, because once you are real you can't be ugly, except to people who don't understand.

Today is the first day of the rest of your life.

The heart of every man's existence is a dream.

I must go down to the sea again, to the lonely sea and the sky...

"Speak what you feel, not what you ought to say."

While you still have your wings.

The way to do is to be.

The most thoroughly wasted of ALL days is that on which ONE has not LAUGHED!

We love the things we love for what they are.

Be sure you are right... Then GO AHEAD!

How could we love - since we were so sincere!

Be careful which dream you clutch... for dreams come true.

"I AM A PART OF ALL THAT I HAVE MET."

Our doubts are traitors and make us lose, the good we oft might win by fearing to attempt.

You win some, you lose some. You just get rained out. But you have to get dressed for them all. Out to lunch!

The best thing I can do for my friend is simply to be his friend.

giving makes the other person a giver... together they share in the joy of what they have brought to life...

Come, my friends, 'tis not too late To seek a newer world.

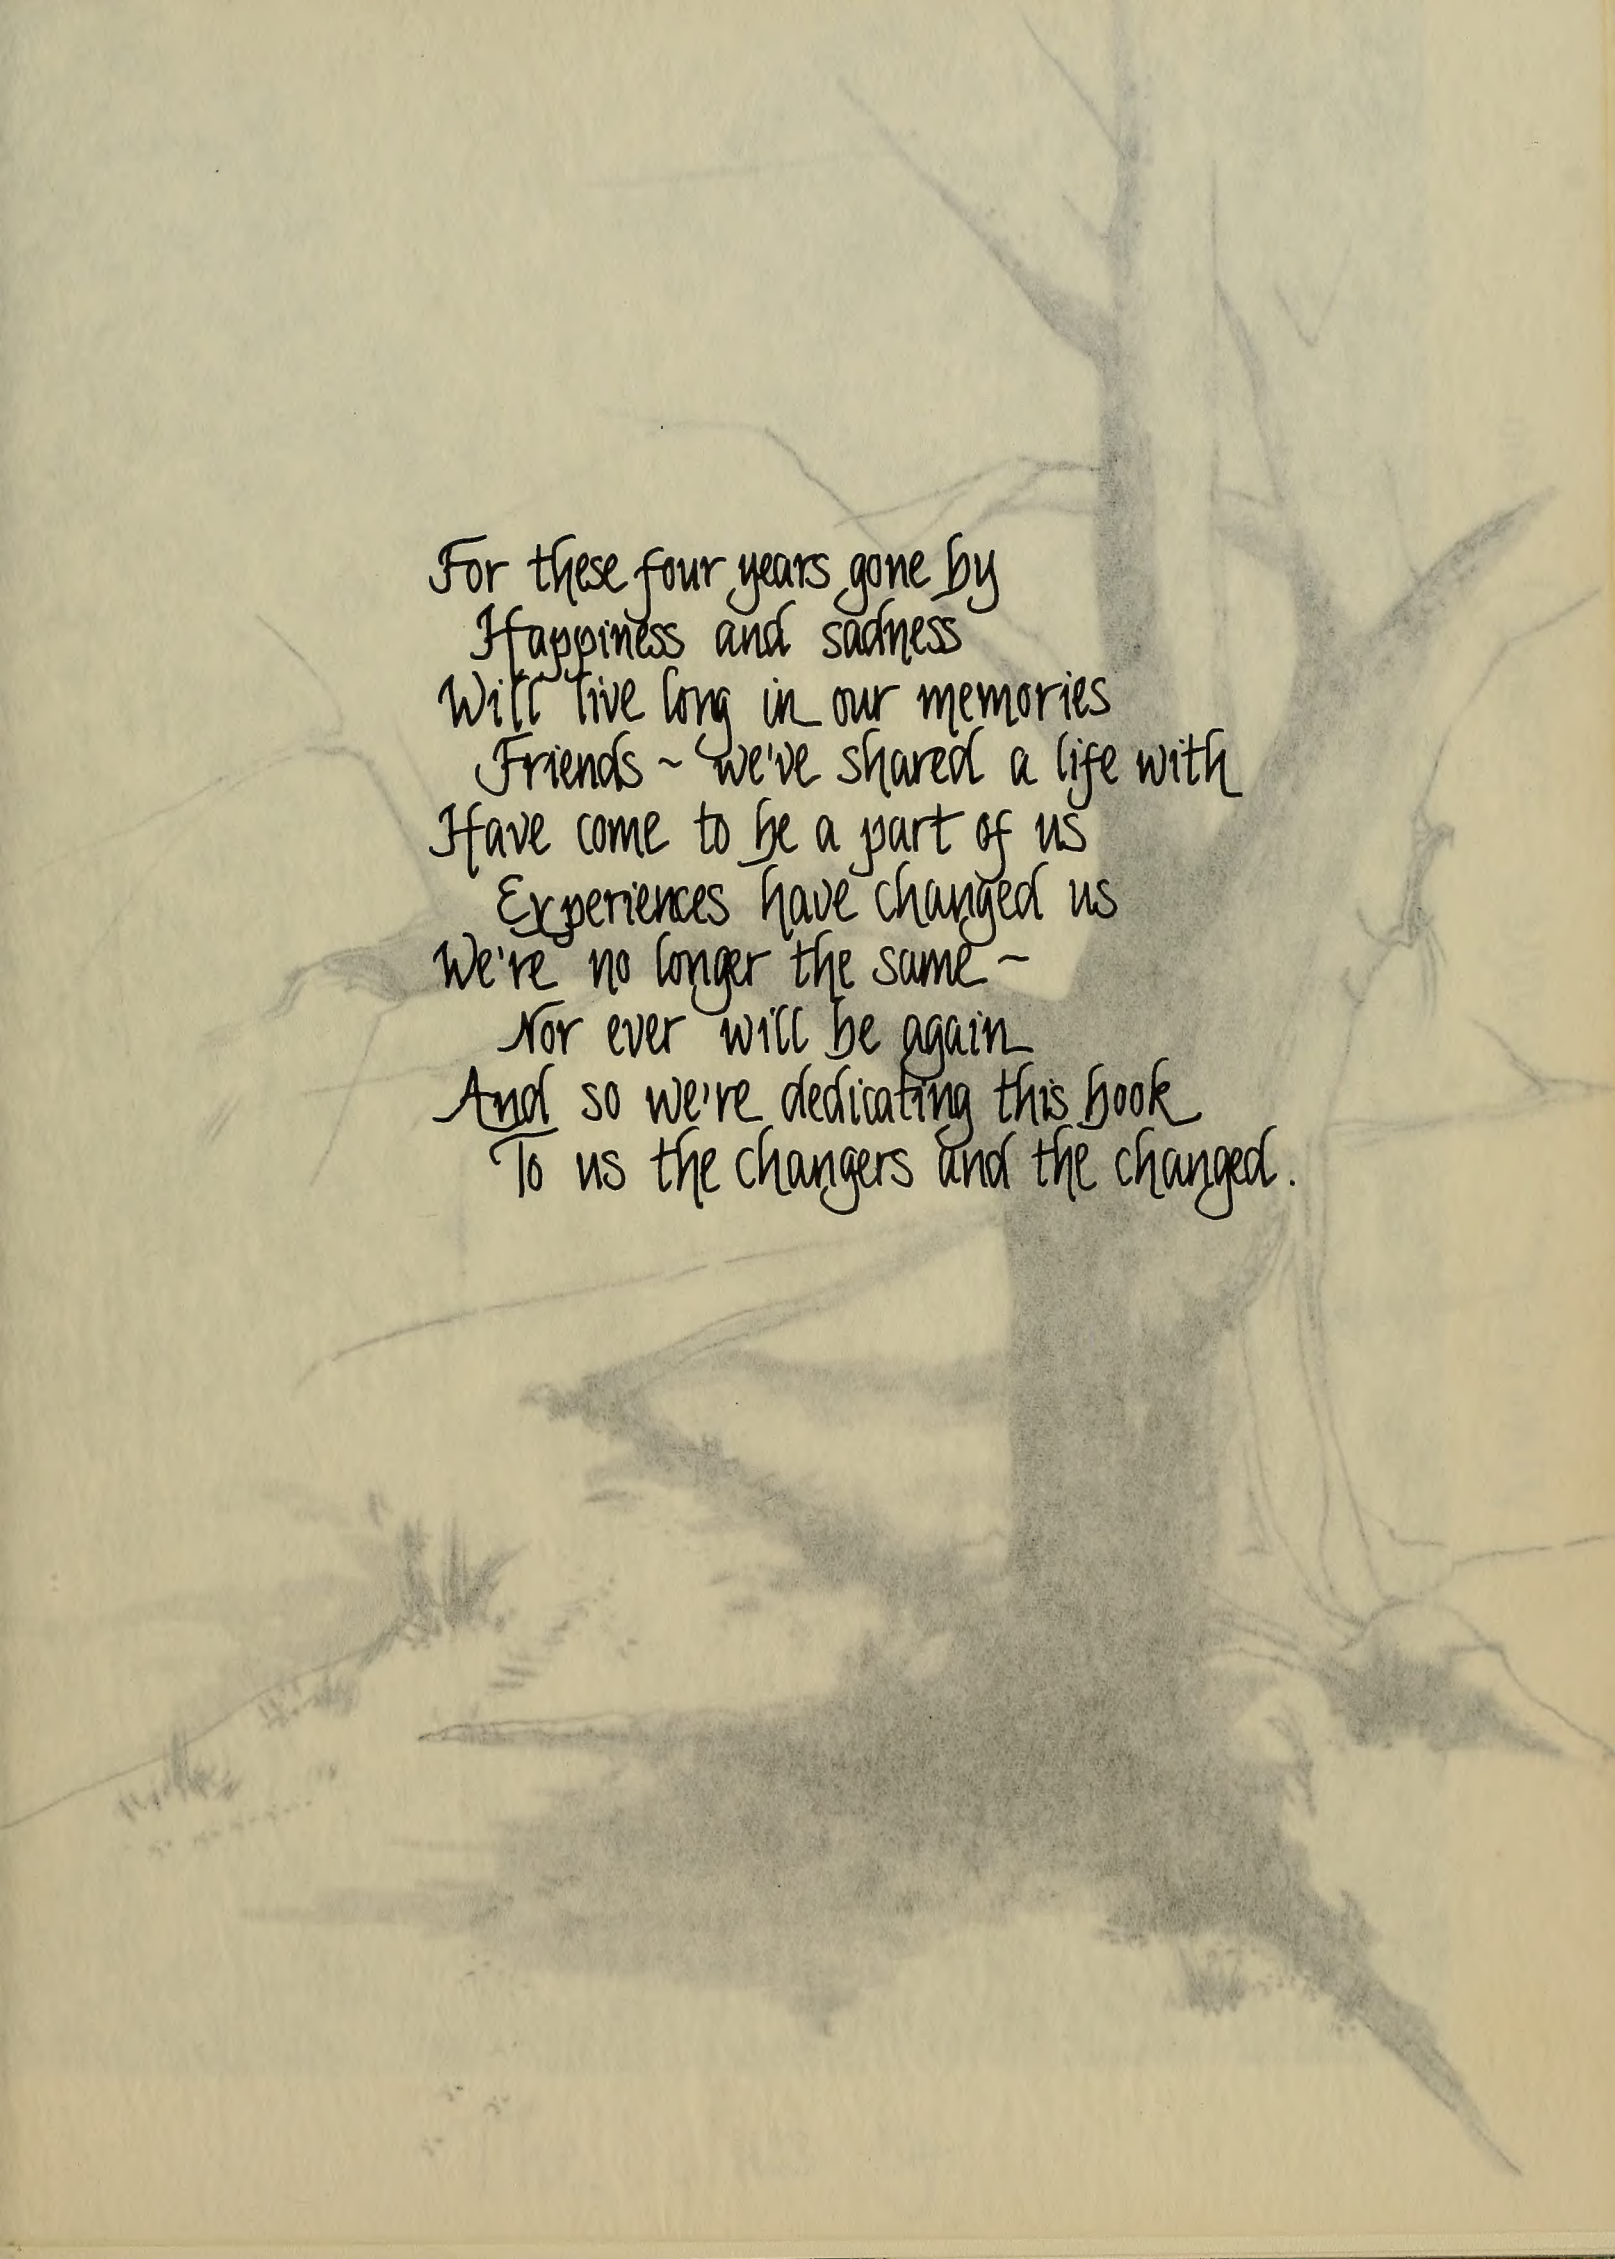

The more a man knows, the more he forgives...

Like sands in the hourglass, so are the days of our lives.

The joy of this world when you're surrounded it all is, is found in the making of friends.

Only one thing matters - that whenever you go and wherever you go, you hear the music of life.

When you part from your friends, you grieve not; for that which you love most in them may become clearer in their absence.

Have you ever been a scared, lowly Freshman not knowing a soul on the whole campus and discovered the "swellest bunch of kids" lived in your dorm? Have you ever gotten up for an 8:30 class, only to find out it was cancelled when you got there? Have you ever put your all into a course and gotten just a C as a final grade? Or pulled an all-nighter for an exam? Have you ever signed up for a supposedly cool course only to discover it was scheduled for 3:00 Friday afternoon? Or was being given by a prof who believes that there's only one right thing - and that's what the book says or what he or she says? Have you ever stood in the cafe line for fifteen minutes only to find out it was mystery meat for dinner? Have you ever started a determined diet and gone over to the cafe only to find out your favorite dessert was being served? Have you ever gotten a parking violation for leaving your car in front of Miley just to check your mail box? Have you ever made an appointment with the Administration only to have it turn out to be an hour long monologue? Have you ever sat in on a lecture and not understood one thing? Have you ever gone to Sully's, the Tavern, and Hurley's all in one night and woken up wondering how 'the hell you got there?

No, I guess you couldn't have experienced all of these, maybe. Everybody goes through it differently, of course, but none of us would trade any of it.

The Arts,
That show,
All the

the Academics,

William Shakespeare

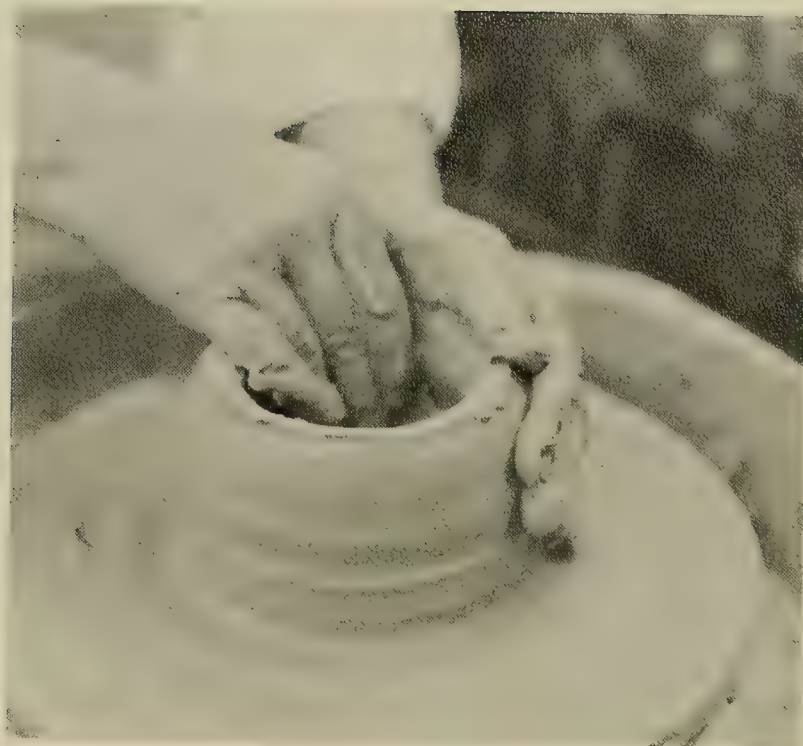

And if our

Everyday, every act, is an island
washed by time
and space,

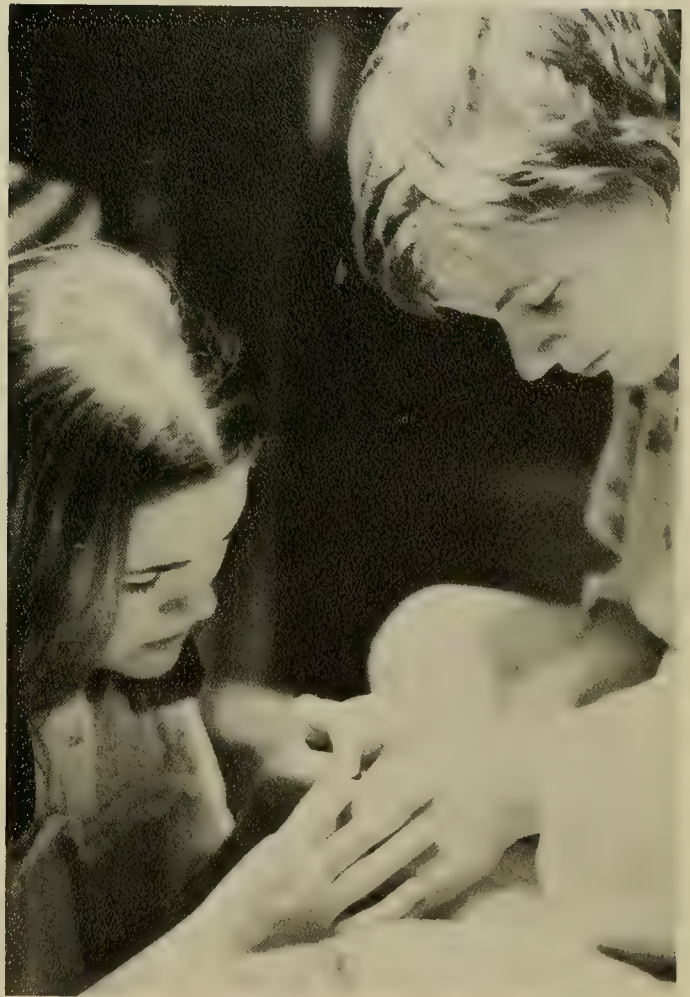

and
has
an
island's

Soon we discover, too, we are all
islands in a common sea.

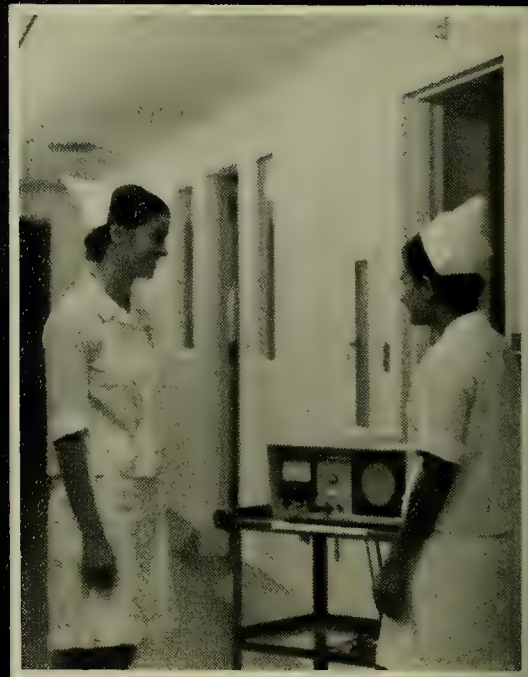

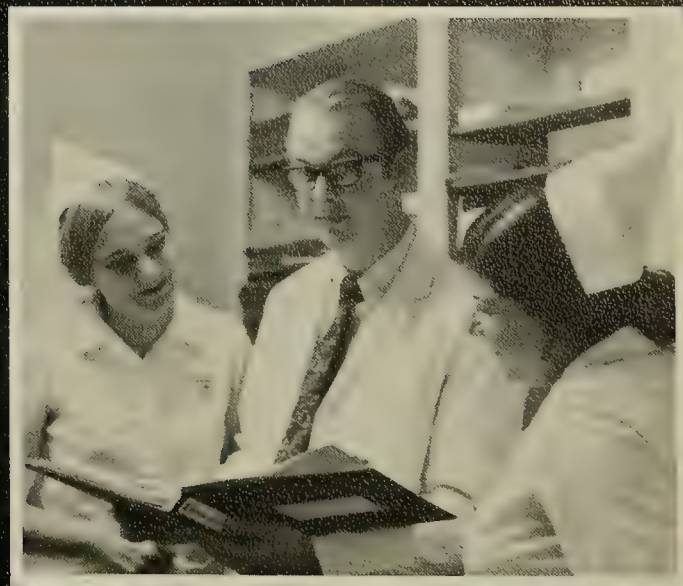

"One should not play life."

or study it merely ...

but earnestly live it

A Definition of Friendship

"Friendship is the comfort, the inexpressible comfort of feeling safe with a person having neither to weigh thoughts nor measure words, but pouring all right out just as they are, chaff and grain together, certain that a faithful friendly hand will take and sift them, keep what is worth keeping and with a breath of comfort, blow the rest away."

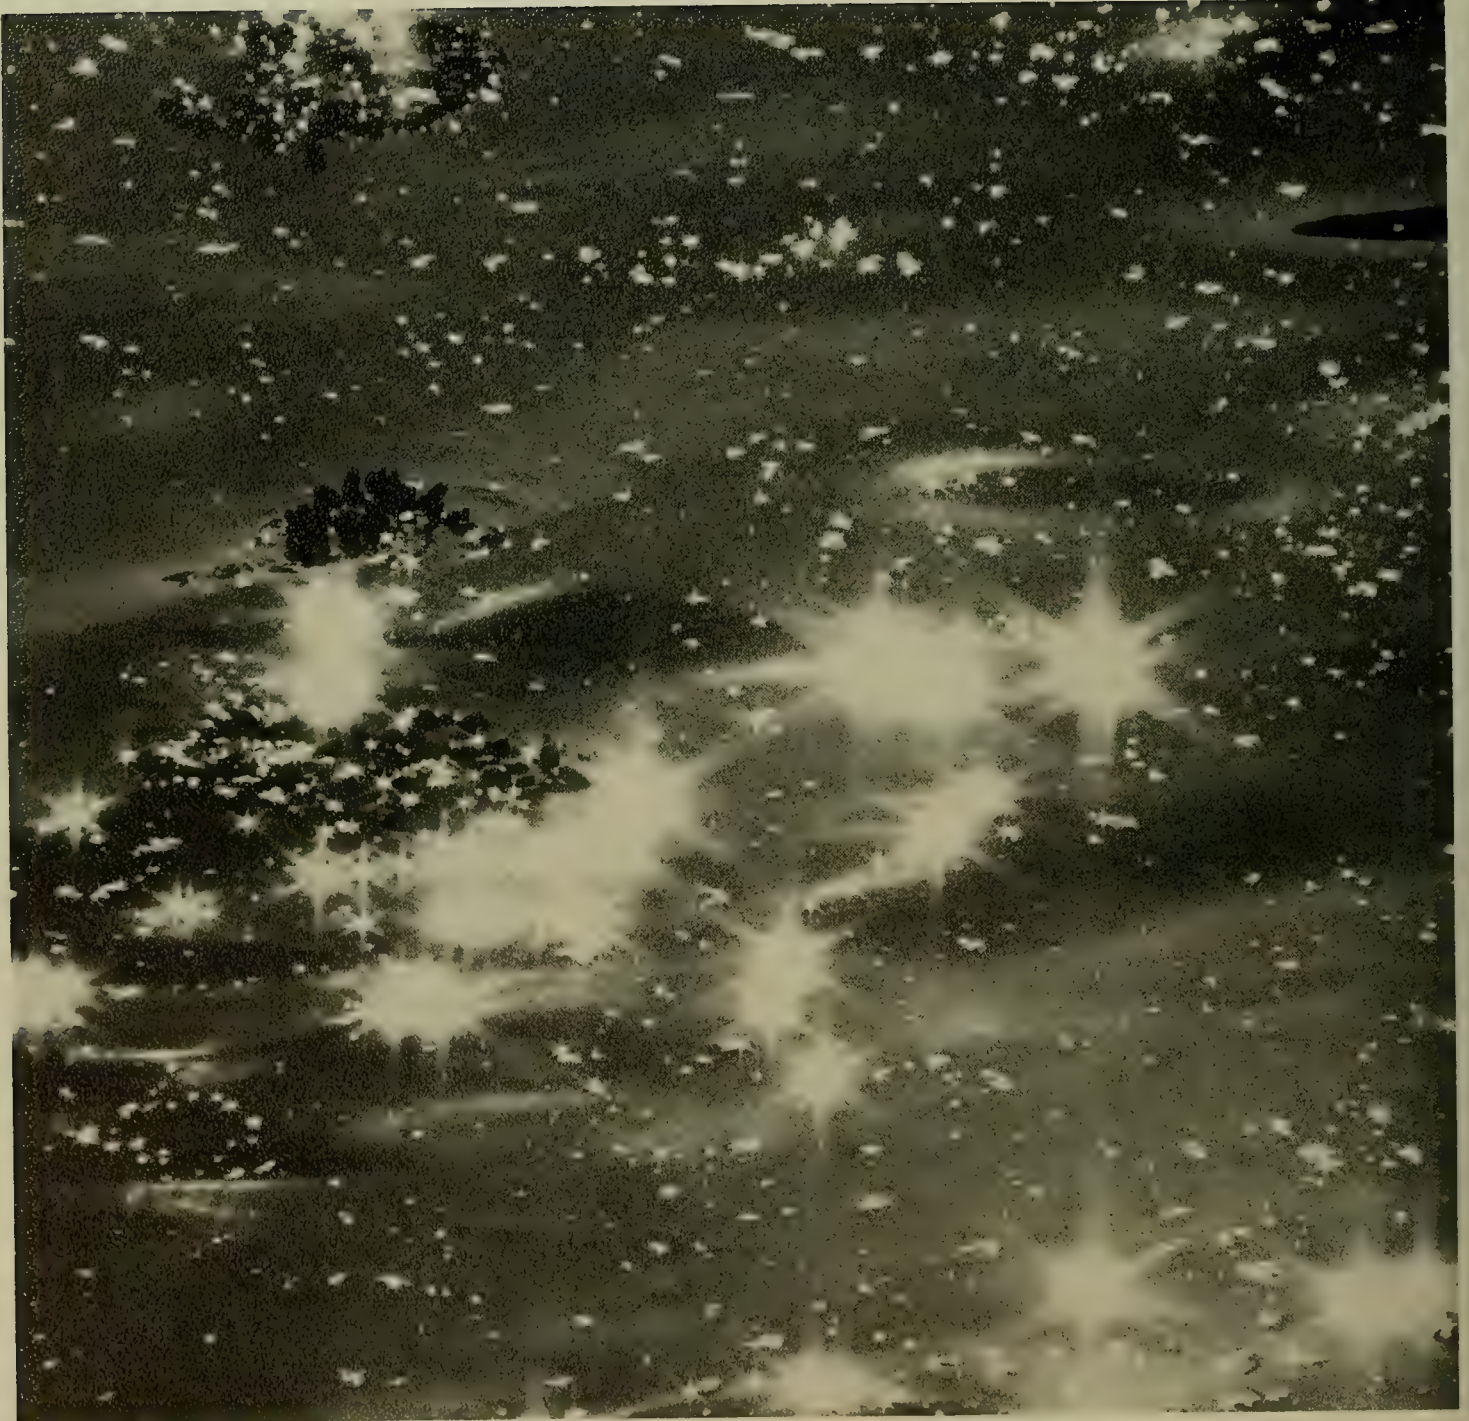

Sometimes you win
Sometimes you lose
Sometimes the blues
get a hold of you

Just when you thought
you had made it...

Life is . . . a slow dance

in the sun .

"Never for the sake of peace and quiet
deny your own experience or conviction."

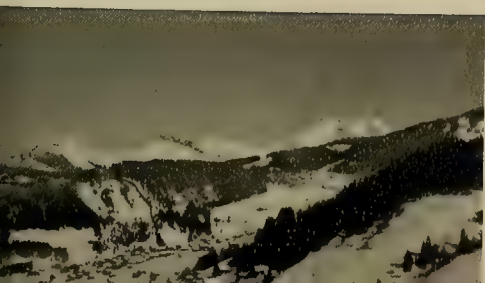

If you are lucky enough to
have lived in Paris as a
young man, then

wherever you
go for the
rest of your life
it stays with you
for Paris is a moveable feast.

... and this is how Paris
was, in the early days, when
we were very poor and happy.

¿Qué es la vida?
Un frenesí.

¿Qué es la vida?
Una ilusión,
una sombra, una
ficción,
y el mayor bien es
sueño,
y los sueños,
sueño son.

Waiting...

You stand, breathless,
Searching the horizon
Savoring the peace of
the evening
Till the sight of the
Moonrise that shall
With it's silent silvery
beams
Promise calm
silence
hope

and new

Joy.

I can see and feel
Among the reeds
You're as silent as
And as loud as the
You're as light as
While being heavy as
Your beauty rests
Which nature hasn't

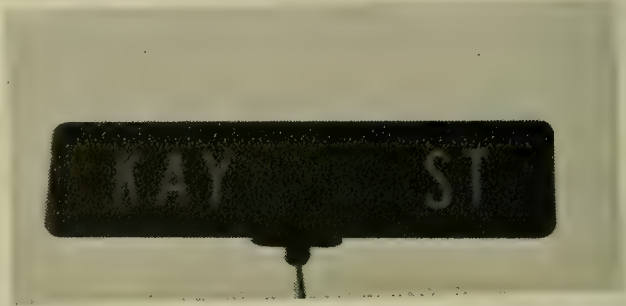

you in my world
and sea grass
a gentle breeze
thunder of crashing waves
a bird on wing
the morning fog
in my memory
been able to take away.

Rain~

falling, running, dripping, pouring.

Running in little rivers
down the window.

Getting me wet;
my hair
my coat
my pants
my feet.

Making me look like a wet rat.

Rain, what is it?

Is it tears from Heaven
About all the war
and suffering

Among men?

Or maybe for man and

The way he treats man?

Or maybe for all men

And their broken hearts?

Rain~

Is it a way that has been
devised to make us

Stop or at least

Slow down?

Rain~

You know what?

Know what I think it is?

I think it is for us

To stop and think.

"I am not afraid of tomorrow,
for I have seen yesterday
and I love today."

For yesterday is already a dream,
and tomorrow is only a vision;
But today, well lived,
makes every yesterday a dream of happiness,
and every tomorrow
a vision of hope."

Simply the Best

Yearbooks

Although we leave part of ourselves,
We take sand in our cuffs,
Rocks, shells, driftwood,
Cones, pebbles, flowers,
Photographs.

But is the picture a tenth of the thing?
A hundredth?

Is it anything without the smell and the salt?
Breeze and the yellow warmth
When the Newport fog lifts?

Oh! But I got all that too.

It is exposed forever on the sensitive
Emulsion sheet
Of my mind.

Although we have part of ourselves,

We take some in our cuts,

Rock, shells, driftwood,

James, apples, zinnias,

Bradbury, Sinks, U. S. National Museum

But is the picture a part of the thing?

A photograph?

Is it anything without the shell and the soft?

Break and the yellow marble

What the heart of the thing?

Oh! But I got all that too.

It is forever on the sensitive

Emulsion sheet

of my mind.

Yearbooks

"How beautiful
is the morning when
the sun rises to
decorate the day"

Those who tell you that youth
needs an ideal are idiots. It
has one already which is
youth itself...

A friend is a gift
you give yourself!

It's nice sometimes to open up your
heart and let some hurt come in -
it proves you're still alive!

"The most beautiful thing in life
is that our souls remain
hovering over the places
where we once enjoyed
ourselves."

"Take Time to dream,
it hitches the soul to the stars."

"Each man's life represents a road
toward himself, an attempt at such
a road, the intimation of a path."

It doesn't matter who you love
or how you love
but that you love...

Life must be dedicated
to a destiny in order
to have meaning.

La amistad es
una joya que
no se compra.

You are you and I am I
And if by chance we
find each other
It's beautiful.

"So others can live with wild men,
while I must always presume on
those who are kind enough to forgive
and weak enough to understand."

"IF THERE BE ANY TRUER
MEASURE OF A WOMAN THAN
BY WHAT SHE DOES, IT MUST BE
BY WHAT SHE GIVES."

... Anything how do you
And write down seeds
And make them not HEAVEN...

... A TIME FOR EVERY
PURPOSE UNDER

... AND IN THE SWEETNESS
OF FRIENDSHIP LET THERE
BE LAUGHTER AND THE
SHARING OF PLEASURES.

Happiness is a butterfly,
which when pursued, is
always just beyond your
grasp, but which, if you
will sit down quietly, may
alight upon you.

"... To strive,
to seek to find,
and not to yield."

... Wonderful,
wonderful, and
again most wonderful.

And in the end
the love you take
is equal to the
love you make

The goal of living is to grow
forgetting only; remember how

Remember and
don't forget it there !!

The simple-minded use of the
notions "Right or wrong" is one
of the chief obstacles to the
Progress of understanding.

Know the value
of time, put on
your belt, and
go out and
live!

All that we see or seem is but a dream within a dream.

But these things don't matter at all, because once you are real you can't be ugly, except to people who don't understand.

Today is the first day of the rest of your life.

The heart of every man's existence is a dream.

I must go down to the sea again, to the lonely sea and the sky...

The way to do is to be.

The most thoroughly wasted of ALL days is that on which ONE has not LAUGHED!

We lose the things we love for what we love.

Be sure you are right... Then GO AHEAD!

How could we love - since we were so sincere!

Be careful which dream you clutch... for dreams come true.

"I AM A PART OF ALL THAT I HAVE MET."

Our doubts are traitors and make us lose, the good we oft might win by fearing to attempt.

You win some, you lose some. You don't get rained out. But you have to get dressed for them all. Out to lunch!

The best thing I can do for my friend is simply to be his friend.

Giving makes the other person a giver... together they share in the joy of what they have brought to life...

Come, my friends, 'tis not too late To seek a newer world.

The more a man knows, the more he forgives...

Like sands in the hourglass, so are the days of our lives.

The joy of this world when you're surrounded it all is, is found in the making of friends.

Only one thing matters - that wherever you go and whenever you go, you hear the music of life.

When you part from your friends, you grieve not; for that which you love, most in them, may become clearer in their absence.
